OLD BUSINESS

We continue to have meter pit problems. After a meeting with some of the Town officials the decision was made to have Carl Wornick call an outside water company to see if they can find the problem. The Commissioners were told that the state would pay for the repairs. Projected repair date will be June 1st - after Memorial Day.

The lamp post is installed and the electrical work is to be done April 27th.

Stonewall repair was discussed and Rusty is to get estimates for our next meeting. He is also to get quotes on applying lime to the cemetery grounds.

Meeting closed at 7:30 pm. Next meeting will be May 22, 2007 at 6:30 pm.
