

DOVER PERSONNEL BOARD MINUTES

August 19, 2008

Committee: Mary Carrigan, Peggy Hughart, and Mary Hornsby.

David Ramsay, Town Administrator.

Joseph Melican, Selectmen.

The committee examined numbers from the CPI, ECI in NE, and employment cost indexes; a history of past general increases was included in the discussion. It was also pointed out that Social Security benefits will likely increase.

Members discussed how to keep employees at the median and what sort of request would be needed for the coming fiscal year.

It was decided that a meeting with the Warrant Committee & Selectmen would be in order. Mary Carrigan will be in touch regarding the dates for these meetings

Respectfully Submitted,

Mary Hornsby
