Radio Tower – Town counsel will require a public hearing before erecting an antenna on the snow hill fire tower.

The new engine 4 is on schedule for the anticipated delivery date

AMR ambulance contract to house their ambulance in Dover's fire house is currently under review.

Town report for the fire department has been submitted.

Dover Fire Department has received a federal grant totaling \$105,203 to cover 95% of the cost for SCBA ( self contained breathing apparatus. This will require a 5% match from the town of Dover totaling \$5,537. In addition the department will need Mask Bags, voice amplifiers, and an additional 15 masks for a total of \$7,205. The total request is \$13,742. Chief Hughes will request the necessary reserve fund transfer.

The Board of Fire Engineers expressed their thanks to the Chief, Deputy Chief and Administrator Richard Tiberi for their great work in securing this federal grant which represents a significant savings to the town of Dover.

Chairman Sherman offered his thanks and praise to the Dover Ambulance for their professional response to a medical emergency at one of his neighbors house.

Next Board meeting is scheduled for 3/5/08 5:00PM

Meeting adjourned at 5:50PM

Respectfully Submitted,

John F. Sugden, Jr
