

Conservation Meeting Minutes

June 11, 2008

Members present: Chair Ed Dennison, Tim Holiner, Peter McGlynn, Rick Weden, Will Schulz, Kate Faulkner

Members absent: John Sullivan, associate members John Rossetti and Paul Angelico

1. 71 CLAYBROOK ROAD - Fisch

Notice having been duly published the hearing for a Request for Determination of Applicability was opened. Ardi Rrapi, Cheney Engineering, was present representing the applicant. The filing is for soil testing within BVW and riverfront in areas that are disturbed. BOH restrictions were discussed for any future system that might be designed for these areas. Work would be done on one day, once in and once out. Discussion. Upon motion duly made and seconded the Commission voted to close the hearing.

Upon motion duly made and seconded the Commission voted to issue a negative Determination with the condition that work be completed in one day on a once-in-once-out basis.

2. Board of Health Lyme Disease Initiative

Ed reported on a meeting he attended with other town boards and committees. He stated that there is increasing concern with the deer population and incidents of Lyme disease. He stated he stressed the need for education over prevention, as well as the difficulties the town would encounter with any program for deer culling without the cooperation of surround towns. Discussion.
