

DOVER HISTORICAL COMMISSION

A meeting of the Dover Historical Commission was held on June 3, 2008, at 7:04 p.m.

Present were: Richard Eels, Jane Moore, Kay Guild, Tom Johnson, and Charlotte Surgenor

Absent: Ken DiNisco and Paul Tedesco

Guest; Sara Molyneaux and Carol Lisbon

Carol reported that it is imperative that we keep the channels of communication flowing. Alan Freyer and David Ramsey have been communicating. Mr Calo stands by his letter to Dr Oliva and is not going to release the Demolition Permit until the items mentioned in the letter are satisfied.

It was discussed that the DHC was not pleased with the letter from Dr Oliva and several members of the committee are going to get together to create a chronology of last 4 years.

It was reported that a few more people were interested in buying the property. The Dover Land Trust is also trying to work with Dr Oliva to see if a deal can be worked out with them.

It was decided to have a meeting in July to look at the photographs taken by the photographer hired by the DHC. Charlotte will set up.

Jane will update the Massachusetts Historical Commission records to show the current members of the DHC.

The Massachusetts Historical Commission has sent a note to the DHC to let them know of a free email list for historical preservation in Massachusetts. "It is an incredible resource for the sharing of information, ideas, questions and experiences related to historic preservation in Massachusetts."
