NEW BUSINESS –

The bill warrants were reviewed and signed.

Time for Rusty's review - we reviewed the form, made our comments, and Jon volunteered to prepare it as he already has the format on his computer. Once the form is completed Jon will get a copy to each of the members for review. A meeting will then be made to go over it with Rusty for his signing and then transmittal to the Town Hall.

OLD BUSINESS

Bill gave a report on the progress of the new plantings by the Hearse House. It was noted that the stumps were out, the footings for the flag pole had been completed, and the new stonewall had been done. Next will be the plantings and everything will be done in time for Memorial Day. The Selectmen sent us a letter showing their support for the new plantings.

Meeting closed at 7:10 pm. Next meeting will be Tuesday, June 24, 2008 at 6:30 pm.
