

Dover Board of Appeals - May 15, 2008

Present were:

Chairman - Gary Lilienthal - Members- LaVerne Lovell, James Parent and  
Associates Members - Tobe Deutschmann, Jeff Barnes  
See Attached List

The Board of Appeals set up a special meeting so the owners of "The Meadows" could give an update and answer some questions and problems from the abutters. There was much discussion between Vinny O'Brien and Mr. Pezzone. The project is not moving very fast because of the economy and failure of the housing market. The neighbors are concerned about how long it may take to sell out the entire project.

We will all meet again on June 18, 2008.
