Becky P. will get a canable with a couple of clear bags to the **Library Spelling Bee** 3/26 and pick up the empty canable after the event.

Town Wide Clean Up Day – March 28th – John distributed bags to all committee members who are Neighborhood Coordinators. Members also took bags to drop off for nearby Neighborhood Coordinators leaving John with only a few to distribute. Members should distribute these asap to give coordinators time to organize their volunteers. John will leave a supply of bags at the top of his driveway (10 Farm) on Sat. morning. The Highway Department begins their rounds at 11:00. The committee with some additional volunteers will meet at the Transfer Station at 12:00 and sort all recyclables collected.

Next meeting – April 6th @ 8:15 in the Highway Garage (not May 4th).
