MINUTES of the May 11, 2009 meeting were approved.

**NEW BUSINESS –**

Three deeds were signed.

Application for headstone was not approved because it was over sized.

Rusty reported that the Brown family had not been in contact regarding the removal and replacement of the bushes at the headstone.

A list of goals was to have been submitted by Rusty but had not yet been received.

With regards to extra help from the Highway Department it was voted to table the discussion until a later date.

**OLD BUSINESS**

The water line still seems to be leaking. Also it was voted by two members of the commission to remove all water cans from the cemetery. One member wanted to go on record that there was a descending vote.

A report was given that the WWII markers had been ordered and they were still waiting to receive them. Carol would get in touch with the company. It was noted that the American Legion markers are to be cared for by the American Legion and placed on the graves of their members by them as they have the membership roster and are the only ones that know what veterans should receive them.

It was so voted that the Bailey family could leave their plantings as long as a letter is received saying that the remaining burials would all be cremation. Carol is to send an e-mail to Andrew Bailey.

Rusty reported that the dog signs had been moved and the plantings at the Bacchiocci headstone have been corrected. He let us know he would be on vacation August 3-7 and August 24-28, 2009

Meeting closed at 8:00 pm. Next meeting will be Tuesday, September 8, 2009 at 6:30 pm.
