

**Dover Community Center Building Committee**  
**September 6, 2007**  
**Minutes**

At 7:25 PM, following the Board of Selectmen's meeting in the lower conference room, Ford Spalding convened a meeting of the DCCBC, including members of the four new subcommittees: Alternative Sites Committee, Public/Private Partnership Committee, Gym/Physical Activities Committee, and the Great Room Committee. The charges from the Board of Selectmen were reviewed briefly and thanks given to all new subcommittee members for volunteering to help move the community center project forward. Minutes of the July 27, 2007 meeting of the DCCBC were approved.

Ford then requested each subcommittee to adjourn to designated spaces in the town house to discuss their mission, elect a chair and clerk, and set a schedule of meetings. When dates are known, a combined calendar will be distributed to all members.

The DCCBC set the dates of October 23 and November 13, at 7 PM for a gathering of all subcommittees. Interim progress reports will be due on November 13. The subcommittees then dispersed to their appointed rooms.

Respectively submitted,  
Carol Gregory, Co-Chair DCCBC
