

**Lyme Disease Committee**  
of the  
**Board of Health**  
Dover, MA

**Minutes**  
**September 2, 2010**

Present: Steve Kruskal, Barbara Roth-Schechter, Bill Herd, Marlayne Brace, Mike Francis, Jim Palmer, George Giunta

Absent: Tim Holiner, Paul Tedesco, Matthew Schmid

**1. Review and Approval of the Final Minutes of July 29 meeting**

**2. Report of the LDAs - Jim, George**

At present at least 26 hunting applications have been submitted for a minimum of 280 huntable acres. LDA-hunter interviews will begin during the week of September 7 to be coordinated with LDC members.

Approved hunters will be entered into a data base which will be shared with the Dover PD for a background check. The same data base will be shared with the Dover BOH for issuance of the hunting permits. These will be issued in triplicate: one for display on the dash board of the car, one on the tree stand and one to be carried by the hunter. The permits will be prepared by the BOH Admin Assistant and provided in laminated form.

The LDAs will obtain maps of the respective properties from the stakeholders for distribution and land allocation for each hunter. Each group of hunters will be introduced by the LDA to the respective stakeholders. Jim P proposed to have hunters collect garbage while walking the hunting property.

Subsequent to an update about deer management in Dover to Mass WL by BRS, George G will contact Sonja Christensen at Mass Wildlife about the issuance of additional doe tags for the Dover hunt.

**3. Report of stake-holder activities for implementation of DMP - Barbara**

At present, TTOR agreed to open Chase Woodland (58 huntable acres), Peters Reservation (66 acres), and Powisset (44 acres). Con Com agreed to open Snow Hill (110 acres). Hale is considering various options and DLCT has its final decision-making meeting on September 14. All Stakeholders would like to see final drafts of all signs to be posted prior to the beginning of hunting season (Oct 18, 2010)

**4. Design and review of planned signage for DMP - All**

All signs will be drafted based on the signs posted by TTOR during their pilot program in 2009. Drafts will be circulated to all LDC members for review prior to the next LDC meeting.

Next meetings are scheduled at 10:00 AM for  
September 16, 2010 and  
September 30, 2010.
