

Conservation Meeting Minutes June 23, 2010

Members present: Chair Kate Faulkner, Rick Weden, John Sullivan,
Candace McCann, Janet O'Connor, Tim Holiner

Members absent: Peter McGlynn
Agents: George Giunta

1. 26 OLD FARM ROAD -

Notice having been duly published the hearing on a request for construction of a replacement septic system. Evan Wilmarth, Dover Land Surveying was representing the applicant. Evan reviewed the testing for the septic system.

There is an outstanding old filing on this property (DEP #144-128). The applicant must obtain a Certificate of Compliance before approving the current request. Conservation Commission Agent George Giunta reviewed possible solutions to erosion noted on his field visit that needs to be corrected before a Certificate of Compliance is issued. The hearing will be continued when a DEP number is assigned.

2. OFF JUNCTION STREET - DCR

Con't. of Request for Determination of Applicability. Ron Clough from DCR was present with representatives from Dover Sherborn High School. There was discussion of two projects to create a loop hiking trail. The first project is of a bog bridge through a wet area. The bridge would be 8' sections for a total of 100', adjacent to an existing horse trail. The second project would include building a bridge over an existing stream. The bridge would connect two roads. Applicant presented a revised construction plan following discussion with Conservation Commission Agent George Giunta. Decision was made to consult Paul McManus on circumstances under which Commission could issue a negative RDA for bridge construction over a perennial stream. The hearing is continued to the July 14, 2010 meeting.
