NEW BUSINESS –

Election of officers for the coming year and it was SO VOTED that Bill Herd would be Chairman, Carol Jackman Secretary, and Jon Wolff will be our representative to other Town Committees.

Three deeds were signed.

The Commissioners reviewed the Performance Report that Jon Wolff was good enough to handle on a timely basis. The request for the Performance Review was received after our last meeting and the deadline was prior to this meeting.

OLD BUSINESS

The dog problem still exists and seems to be getting worse. The issue of not allowing dogs in the cemetery was discussed and it was decided to put an article in the newspaper to see if that would help prior to restricting dogs.

It was reported that before a final decision can be made on the Middleton Lots 23 and 24 we would like to see if we can have the treasurer research the original payment and then we would know how many spaces were actually paid for seen as the revised Deed was not signed by all of the commissioners and did show a slight problem. The revised deed shows seven (7) burials to be allowed and lots are normally sold in two, four, six, or eight burials.

Curtis Rafter was hired for summer help. Rusty was to develop a plan of works for Curtis so that when Rusty was on vacation things would run smoothly. Craig Hughes was also to be notified in plenty of time so that he could schedule Highway personnel to assist Curtis.

Rusty reports that he will be on vacation June 21st through June 25th and again July 5th through July 9, 2010.

Meeting closed at 8:05 pm. Next meeting was scheduled for August 17, 2010 at 6:30 pm.
