

Conservation Commission Meeting Minutes  
August 10, 2011

Members Attending: Kate Faulkner, Candace McCann, John Sheehan, Rick Weden, Sandy Sheble-Hall, George Giunta (agent)

Members Absent: Tim Holiner, John Sullivan

**Notice of Intent:**

14 Dover Road, Hickey, DEP# 144-677

Present: Joyce Hastings from GLM Engineering presented plan for replacement of a failed septic system. Applicant is using FAST system to keep footprint as small as possible. Location of system 80' from wetlands; constrained by well and desire to limit tree cutting. Agent George Giunta has inspected site and agreed with placement of wetland line.

Motion made, seconded and unanimously voted to close the hearing, and issue a standard order of conditions to approve the plan as presented.

**Discussion:**

12 Hunt Drive, Enforcement Order/Restoration Plan DEP# 144-672

Present: Joyce Hastings from GLM Engineering reported that a new contractor had misinterpreted the flagging and plans, and had clearcut a 20' swath of land for the new hunt easement. Conservation Commission issued an enforcement order upon discovering the violation. Ms Hastings presented a restoration plan which involves limiting trail width to 8' on the upland side of the clearcut land, and replanting the rest with native species 3-4 inches in caliber. Brush piled in the wetlands will be removed by hand. Gravel placed on portion of trail will be removed and taken off site. Work will start immediately.

Motion made, seconded and unanimously voted to accept the plan, hand-amended at the meeting to reflect the 8' width of trail, with the stipulation that the work be completed by Sept 30<sup>th</sup>.
