1st Case 71 Main Street - owner Mary Crane

40A - Section 6, the house has a pre-existing non-conformity. It was built in 1939.

The new plan uses the existing footprint and does not increase the existing non conformity. It was determined "not substantially more detrimental" and approved unanimously.

1st Case

85 County Street – Leonard Schnabel.

Application for a special permit to allow Len to run a lighting business out of his home. He stores all the lighting material in his barn and several time a month , when he has a job, men come and load his commercial van with the equipment and leave. There is a secretary and a bookkeeper that park in the yard for about 20 hours a week.
