OLD BUSINESS

The meeting immediately went to the review of the guidelines for Highland Cemetery. Rusty presented new sizes of monuments as recommendations for future head and foot stones as well as benches and boulders. A discussion about the sizes not being too large in the event of a full burial and being sure the mowing would not be compromised in the event of two two grave lots, sided by side, was then reviewed. The commissioners wanted to be sure that a push mower would be able to fit between the headstones for mowing when the riding mower would not fit. It was voted to prepare an outline for review at the next meeting.

Meeting closed at 9:00 a.m. Next meeting would be November 15, 2012 at 6:00 p.m. at the Town Garage.

Attachments to these minutes are on file in the Cemetery Office located in the Town Garage.
