January is here with winter coats and boots, not enough sunshine, and, of course, the frigid temps and snow. Though it is tempting to stay in the warmth of your home, we invite you to join us at one of our programs.

Are you a caregiver for a loved one with Alzheimer’s disease or dementia? Join us in January for a seminar on Living with Alzheimer’s and learn coping strategies and resources. Caring for yourself is as important as caring for others. Try one of the COA Fitness classes. A new Intro to Yoga 5 week class series will start in February with Instructor Jessica Foster. Come get fit and healthy in the new year with the COA.

Did you get a new device for a holiday gift? If you need help figuring it out, stop in for tech support from Boy Scout Jack Ringel on Saturday, January 12 at 1pm at Dover Library. The DSHS Community Service Club will also offer Tech Support in February; bring your questions to these local teenage experts.

There are always opportunities to learn and travel with the COA. Lifetime Learning returns with Lynne Viti leading Writing Your Memoirs and Fun with Ukulele returns in late February. Travel to the MFA, Shalin Liu Performance Center, or a local venue for lunch. Join us to learn about a trip to Prague, Vienna, and Budapest. Stop by the COA to learn more about these adventures.

So, put on your coat and hat and come join us at one of these programs! We are open all winter unless the schools close due to snowy weather conditions.

A Healthy and Happy New Year to you all!

Janet Claypoole

OUTREACH CORNER
By Nan Vaida, RN, COA Outreach Worker

We are often bothered by the TV ads and announcements in the printed press hawking a “special” program for medication coverage or a “new” way to “max” your Social Security.”We all want information but...ENOUGH!

Well...there are such programs! The National Council on Aging provides a program on line called the “Benefits Check-Up”. This site provides tools to find money saving programs, health care options, even Medicare and Medicaid information. There are also special sections within the site specifically addressing Veteran’s benefits. Each state also modifies the site to reflect their own state run programs.

Tax relief, energy assistance, long term care assistance, aid for the hearing, visually and physically impaired resources are included on this site. There are even drug programs provided by pharmaceutical companies to help pay for expensive medications depending on income. There is so much more than can be listed here.

The site is confidential. You will need to supply certain information such as income, medications you are on and more. This will enable the program to specifically determine what assistance and plans are available for your needs.

The site is easily accessible on line. However, if you need help navigating the site, please call the Dover COA office for support. What a find!

Lifetime Learning Classes

WRITING YOUR MEMOIRS
Mondays 1:30-3:00PM
February 11, 25, March 11, April 8
Classes meet at Caryl Community Center, Room 108

Everyone has a story to tell, whether from childhood adolescence, or from a more recent stage of life. In this workshop, we will read and discuss a few brief excerpts from published memoirs. We will explore key elements including how to come up with material and how to develop characters, details, structure, plot, conflict and dialogue. Students will work on a short autobiographical story over the four class meetings. We will read and discuss some of each participant’s memoir writing in a supportive class environment.

Lynne Spigelmire Viti, JD, PhD, is a senior lecturer in the Writing Program at Wellesley College. She is the author of many scholarly publications and has also published poetry and fiction in many online and print literary journals.

Class sponsored by Friends of Dover COA. Cost is $35.00; checks payable to Friends of Dover COA. Please contact COA Office at 508.315.5734 to register for this class.
