**Are You Prepared?**

by Nan Vaida, RN, Dover COA Outreach Worker

Following the harrowing storm and damage caused by Hurricanes Harvey, Irma and now Maria, it's time to check your emergency readiness. Rarely do hurricanes impact Dover but we are heading into our season of nor'easters and snow storms and now is the time to plan.

MEMA, the Massachusetts Emergency Management Agency, recommends the following:

- **Be Informed!** Know your risks—are you in a flood plain, are there trees close to your house, are outside areas clear of patio furniture, umbrellas, and other items that could come loose in high winds?
- **Make a Plan!** Shelter in place or stay at someone's home or in a shelter. Know where your town's shelters are.
- **Build a Kit!** Bottled water, batteries, gasoline, shelf stable food, flashlight, radio, first aid kit are all essential. Customize your kit to fit your personal needs including medications, hearing aid batteries, extra glasses or lenses, and insurance info. Here's your chance to fill out your Emergency Contact Info Sheet and File of Life Card. These are both available at the COA office.
- **Make a Family Communication Plan.** MEMA recommends that an out of state relative or friend be the contact person as local phone lines may be disrupted by damage or high call volume. Determine an out of town and/or local place to meet within a specified time frame depending on the type of emergency. Make sure your cell phones/tablets are charged. Back up chargers are now on available and can be "pre-charged" and then used to power up electronics as needed. Finally, MASS 2-1-1 is a 24 hour call center. It can be reached 24/7 for information and assistance during an emergency.
