OLD BUSINESS

Carol Jackman reported that she had met with Dave Ramsey and that the meeting was very prudent. Many items of great concern were discussed, including how wonderful the highway department has been in assisting with the care of the cemetery grounds during the time Rusty is out. Craig Hughes is to be thanked for all his guidance.

A report was then given stating that the removal of the big pine tree at the Jackson plot had finally been completed.

Bill Herd reported that a donation in the amount of \$25 had been made for the water display at the back of the cemetery from Mrs. Marie Sweeney in memory of Edith Sooy. The other commissioners have asked that he stay in touch with the treasurer so that a report can be given at each meeting. Also, the commission needs to receive a list from the treasurer's office regarding donations giving the names and addresses so that appropriate thank you notes can be sent out.

Meeting closed at 7:35 pm. Next meeting would be April 24th, but needed to be changed to May 1, 2012 at 6:00 pm.

Attachments to these minutes are on file in the Cemetery Office located in the Town Garage.
