

# Dover Long Range Planning Committee

November 13, 2012

Attendees: Jim Dawley, Jack Donoghue, Rich Forté, Mark Sarro, Sue Sheridan,  
Peter Smith, Wally Weld

Location: Town Garage Meeting Room

*Mr. Donoghue called the meeting to order at 7:00 pm*

## 1. Approval of minutes of prior meetings

Mr. Forté moved that the minutes of the October 2 meeting be approved, seconded by Mrs. Sheridan. The motion was approved unanimously by all who had been in attendance.

## 2. Rail Trail

It was hoped that the Rail Trail Committee would send a representative to update this Committee on their process, but as the meetings were scheduled for the same time, this will be postponed to a later meeting. Mr. Dawley did note that the Needham Selectmen seem serious about advancing a study of the trail between Needham Junction and the Charles River crossing. Many issues remain to be clarified, including who would bear responsibility for existing hazards along the trail.

## 3. Master Plan

Mr. Sarro informed the Committee that the Planning Board believes they have completed their editing and hop to bless the final draft at their next meeting, post it on the Town website, and schedule a public hearing. Mr. Donoghue suggested that this Committee focus on the Plan's recommendations, following up on action plans derived therefrom.

*Mrs. Sheridan moved to adjourn, seconded by Mr. Weld;  
the motion was agreed by consensus at 7:55 pm*

*the next meeting will be December 4 at 7:00 pm at the Town Garage*

Respectfully submitted,  
Peter Smith, Secretary

*Approved January 8, 2013*
