

Rail Trail Committee Minutes
January 22, 2013

Member attendees: Carol Lisbon, Matthew Schmid, Kate Cannie, Mark Howe, Elaine Rosenburg, Greg Hills

Guests: Kevin Ban, Bob Coates, Bob Caspar, D.Hayden

Meeting was called to order at 7:05 p.m. in the Selectmen's Meeting room

1. Minutes of 1/15/13 were approved.

2. Updates

Kate summarized the results of her meetings with Chief of Police Peter McGowan of Dover, and two members of the Wellesley Police Department, one who was a policeman in Lexington and is a current resident. She discussed the public safety issues identified in our Feasibility Study outline. After meetings with other towns there will be a write-up for inclusion in the FS, but there appears to be no data indicating increased concerns due to a Path.

3. Committee reviewed draft rules, regulations, design parameters, maintenance, users and governance sections of the FS. Comments will be integrated into FS. The first draft was also reviewed.

4. New Items:

- It was suggested that the northern end of the trail end at the Centre Street underpass since the bridge will not be open for travel.
- Weed control methods need to be understood
- Colonial Water well in Knollwood Dr. area needs to be explored

Respectfully submitted,
Carol Lisbon
