

Board of Fire Engineers
Town of Dover Fire Department

Minutes

Tuesday, September 10, 2013

Dover Fire Station
One Walpole Street
Dover, Ma. 02030

Attendees: Engineers John Sugden, Ford Spalding & Peter Smith

Department Officers: Chief John M. Hughes III & Deputy Chief Craig Hughes

Also Present: John Cone, Warrant Committee

The Board of Fire Engineers held its monthly meeting in the Fire Department Chiefs office at 5:30 PM.

The Board reviewed and approved the Minutes of August 6, 2013.

The Board reviewed and approved the Department expenditures for the month of August 2013.

The Officers discussed the bay entrance to the Protective Agency building fire department for the new Ladder Truck. The bay is at a 12' height and the new code is at 14'. David Ramsay is researching the options. Engine 2 needs repair. Engine 1 should be ready for service in three weeks with a new tank.

The Chief reported that he has had discussions with Colonial Water related to the possible construction of a fire suppression water tank at the proposed Hartford Street subdivision.

The annual Dover Fire Department Open House is October 6 form 11am – 1pm.

The meeting was adjourned at 6:00PM.

Respectfully Submitted,

Ford Spalding, Clerk
