OLD BUSINESS

Capitol budget for 2015 was completed and sent to Warrant Committee via computer.

NEW BUSINESS

Letter was received from Mr.Thorndike requesting to move the flat markers closer to the headstone. According to the By-Laws the flat markers are to be at the foot of the plot. A vote was taken and it showed that one member was in favor of moving the flat markers and two members felt they needed to adhere to the By-Laws so the VOTE WAS AGAINST moving the flat markers.

A letter was also received regarding the Vallentine/Smithson ownership and it was SO VOTED to record the current owner names as the two daughters because they are the direct heirs and would then have control of future burials.

Mr. James Storey also wrote regarding a request to not have a pedestal base to his bench, but it was SO VOTED that it is required and that he would have to purchase one. It was noted that the quality of the base pedestal did not have to be the same quality as the bench because it would be under ground level and then covered with stones. Bench size was SO VOTED. Also, it was noted that he would not be able to put a border around the stone area.

An application for a headstone was received from the White family, but it was TABLED as there were multiple choices on the form and the Commissioners were not sure which was their choice.

There was no report from Rusty for this meeting.

Meeting closed at 7:05 pm. Next meeting would be November 12, 2013 at 6:00 pm at the Town Garage.

Attachments to these minutes are on file in the Cemetery Office located in the Town Garage.
