MINUTES OF MARCH 19, 2013 MEETING were approved.

NEW BUSINESS

No warrants were presented for signing.

One deed was presented for signing, it was for Kay & Peter Howard and Family, 28 Hartford Street, Dover, MA 02030 for Lot 36, Block C, 3 cremations.

Two applications so far have been received regarding the summer help and will be filed until the next meeting when the application date it closed.

A letter was received regarding the Craig lot stating that the family will be having new bushes planted and that they wish to donate the larger bushes to the cemetery, if we wish them. Bill Herd said he would respond to them and thank them for their donation.

OLD BUSINESS

A discussion was then held regarding weed control and fertilizers. Bill Herd stated he would speak to Strawberry Hill about it.

The committee then reviewed the new plans submitted by Dover Farms for the plantings along the stonewall. It was noted that the committee approved what was submitted, but questioned why there were no trees from the first house that was to be built all the way out to Centre Street. A letter would be sent to Mr. Olstein letting him know our decision regarding the plantings and asking him to address the issue of having trees going out to Centre Street. Trees were originally to be planted all the way out to Centre Street per the original plans submitted by the original developer. A copy of the letter will be given to Walter Avallone at the Town Hall for his records.

Meeting closed at 7:10 p.m. Next meeting would be May 14, 2013 at 6:00 p.m. at the Town Garage.

Attachments to these minutes are on file in the Cemetery Office located in the Town Garage.
