

**Lyme Disease Committee  
Board of Health  
Dover, MA**

**Meeting Minutes  
December 18, 2014  
9:00 AM**

**Present:** Barbara Roth-Schechter, George Giunta, Jim Palmer, Matt Schmid, Tim Holiner, Phil Trotter

**Absent:** Mike Francis, Jay Walsh

**1. Review and Approval of the Minutes of the Previous Meetings**

- Minutes of the December 4, 2014 meeting were reviewed and approved.

**2. Hunting Season Update**

- 24 deer have been harvested so far, 12 bucks and 12 does.
- There is still a lot of foliage around. Deer appear to be eating plantings close to the houses.
- Currently, there are about 6-8 private properties in the program. Barbara will write the Town Report for the DMP and include a section inviting additional property owners to join the program.
- Phil will follow up about DLCT's opposition to participation in the deer management program.
- There have been no reports of bow hunting accidents.

**3. DPH Intern**

- After a lengthy discussion, the LDC decided to forego the well study project and instead create a study to establish deer migration patterns in Town.
- The study will require about 20 motion sensitive cameras, plus batteries and memory cards.
- George and Jim will determine the placement of the cameras throughout Town. They will also ask the hunters who have set up their own cameras to share their pictures.

**4. Meeting Schedule**

- Meeting schedule was set for January-June 2015.

**5. Adjournment**

- The meeting adjourned at 11:00 am.

Karen R. Hayett
