

## Minutes of the Town of Dover Board of Health Meeting for January 12, 2015

**Present:** Dr. Barbara Roth-Schechter, Chairperson; Dr. Harvey George, Member; Dr. Joseph Musto, Member; Agent Mike Angieri, Septic Systems; Agent George Giunta, Wells

1. Meeting called to order at 7:00 pm.
2. The Board approved the minutes of December 15, 2014.
3. 3 Bridge Street – The Board voted to approve the deed restriction for a septic system upgrade of an existing 5 bedroom house and no garbage grinder subject to final review and approval of the health agent.
4. 156 Walpole – The board signed the deed restriction for a previously approved septic system upgrade.
5. 8 Haven Terrace –The Board approved a change in a new septic system to a drip irrigation system.
6. SPAN-DS – Barbara reported on the highly effective social norming program. There were no reported drug related incidents over the winter break.
7. Water regulations – George will incorporate final revisions to the updated water regulations prior to submittal to Town Counsel.
8. DPH Intern - Joe will write up a proposal for a DPH intern to collect data on clinical status of individuals who have contracted lyme disease.
9. Water Study – The Board will undertake a drilled well water study. Water samples from approximately 30 wells in specified areas will be taken by a technician. The information will provide the town with a base line of well water quality and will be shared with the homeowners.
10. Goose repellent - George informed Dave MacTavish that the Board needs further information regarding current use of the product.
11. The Meadows - Mike is following up regarding the wastewater issues at the Meadows.
12. The meeting adjourned at 8:00 pm.
