Location: Town Garage Meeting Room

Mr. Donoghue called the meeting to order at 7:00 pm

1. Approval of minutes of prior meetings

Mr. Forté moved that the minutes of the May 19 meeting be approved, seconded by Ms. Lawrence. The motion was approved unanimously by all who had been in attendance.

2. Green Communities Certification

Mr. Donoghue will work with Mr. Sarro to arrange a meeting with the Planning Board.

Mr. Forté has contacted Joanne Bissetta at the Department of Energy Resources about recovering the Town's login to the MassEnergy Insight website. He has also contacted Dawn Fattore of the Dover School Committee about access to school energy records. We need to look into the procedure (and cost) for hiring consultants to complete the energy baseline audits.

Mr. Smith will see if there is a newer Town vehicle inventory and make a first pass at using it to fill out the State form.

Mr. Donoghue will email the Stretch Building Code Appendix to the Committee members.

Goals:

- Presentation to the Board of Selectmen in the fall

- Drafting articles for the May 2016 Town Meeting for the zoning overlay district and as-of-right siting by-law.
- Board of Selectmen adoption of the Stretch Building Code and commitment to the energy-efficient vehicle standard
- Energy baseline audit and recommendations

*Mr. Forté moved to adjourn, seconded by Mrs. Sheridan;
