The Board of Fire Engineers held its monthly meeting in the Fire Department Chief's office at 5:30 PM.

Review of the minutes of the June meeting was deferred until the next meeting.

The Board reviewed and approved the Department expenditures for the month of June 2015.

The Chief and Deputy reported on activity since the last meeting.

- A Reserve Fund Transfer was submitted to cover Ambulance salaries. There was a burst of calls at the end of the fiscal year. Also, one member of the squad failed to renew his license, so a new member who was expected to come on-board in July was activated early.
- Inspector David Tiberi attended the meeting and was thanked for smoothly handling a very busy spring.
- The garage floor work has been postponed until the reconfiguration of the Police dispatch area is complete. Architecture and engineering will be combined with the Caryl project.
- The department participated in four Independence Day parades.

The meeting was adjourned at 5:55 pm.

Next meeting will be Tuesday, August 4, 2015 at 5:30 pm.

Respectfully Submitted,

Peter Smith, Acting Clerk
