

Board of Fire Engineers  
Town of Dover Fire Department  
Minutes  
Tuesday, August 4, 2015

Dover Fire Station  
One Walpole Street  
Dover, Ma. 02030

Attendees: Engineers John Sugden & Peter Smith

Department Officers: Chief John M. Hughes III, Deputy Chief Craig Hughes, Inspector David Tiberi

The Board of Fire Engineers held its monthly meeting in the Fire Department Chief's office at 5:30 PM.

Review of the minutes of the June and July meetings were deferred until the next meeting.

The Board reviewed and approved the Department expenditures for the month of July 2015.

The officers reported on activities since the last meeting

- The ambulance is out of service. The EGR valve failed, leading to engine damage. It is expected to return to service in mid-August. Until then, the small squad truck will be used for immediate response and adjoining mutual aid towns will cover hospital transport.
- Three firms answered the RFP for repairs to the garage floor. Work is scheduled for next spring when parking outside is feasible, and after the police dispatch area reconfiguration is complete.

The meeting was adjourned at 5:55 pm.

Next meeting will be Tuesday, September 1, 2015 at 5:30 pm.

Respectfully Submitted,

Peter Smith, Acting Clerk
