

FINANCE COMMITTEE ON ROADS  
██████ MINUTES  
SEPTEMBER 22, 2015  
8:05 AM @ TOWN GARAGE

ATTENDANCE – Scott Mayfield, Robyn Hunter, Bob DeFusco  
Superintendent of Streets – Craig Hughes

GENERAL BUSINESS – Craig Hughes provided an update on department activities, including the various paving projects that took place over the summer. All paving projects were completed and went well. Line painting will be undertaken during the next week. Craig also provided an overview of the FY 2017 capital budget request. The department's only request for the next fiscal year is a stainless steel slide-in sander, completing the replacement of sanders for the next twenty years. Successful repair work on the 1979 (H-15) 10-wheel dump truck has allowed the request for a replacement to be pushed off until FY 2018. Following a brief discussion, the committee approved the department's FY 2017 capital budget request.

OTHER ITEMS – Mayfield agreed to be re-appointed for an additional term. Mayfield and Walsh were re-appointed as the committee's Chairman and Secretary, respectively.

NEXT MEETING – October 20, 2015 at 7:30 AM at the Town Garage.

Meeting adjourned at 8:25 AM.

Respectfully submitted,  
Scott Mayfield (for Jack Walsh)
