Ms. Dana White called the meeting to order at 6:00 pm

1. Reviewed the activities of the Superintendent Search Team
  - a. Spring 2016 v Fall 2016 candidate pool: we expect to find more candidates in the fall based upon work done by NESDEC and experience with other searches
  - b. A fall search would be similar to the recent search; it would be expected that it would not be necessary to perform the focus group work, current materials will still be relevant
  - c. No additional cost for a fall search except a \$690 monthly administrative fee to NESDEC during the actual search
  - d. Candidates have done their "homework" and our minutes, recorded meetings and other public communications are important as we begin to search again.
  - e. An external communication to be developed regarding the outcome of this meeting.
