

DOVER CEMETERY COMMISSIONER'S MINUTES

JANUARY 27, 2016

Pope Hoffman and Carol Jackman attended the Warrant Committee meeting, at their request. The Cemetery Commissioners were to be first on the docket, but the Library report was presented first eventhough the Cemetery report had been scheduled first and the Commissioners were requested to be their promptly at 7. When the Cemetery budget for 2017 was reviewed there were very few questions and it took approximately fifteen minutes as most appropriations were latteral requests.

The Commissioners left after their presentation.
