

# Dover Long Range Planning Committee

January 12, 2016

Attendees: Jerry Arnold, Jack Donoghue, Rich Forté, Robyn Hunter,  
Mark Sarro, Sue Sheridan, Peter Smith

Also Attending: Matt Schmid

Location: Town Garage Meeting Room

*Mr. Donoghue called the meeting to order at 7:00 pm*

## 1. Approval of minutes of prior meetings

Mrs. Sheridan moved that the minutes of the December 8 meeting be approved, seconded by Mr. Arnold. The motion was approved unanimously by all who had been in attendance.

## 2. Green Community Designation

It was agreed to hold our informational meeting on February 23. Mr. Arnold will create a sign for Town House lawn. Mr. Sarro suggested that a PowerPoint deck would be useful to structure the presentation. Mr. Donoghue will inquire if Planner Gino Carlucci has any materials we could use.

The Planning Board will hold a meeting on February 25 to present its Warrant Articles. All members who can attend should, as the solar array siting article will be discussed.

## 3. Housing and Land Acquisition

Matt Schmid of the 46 Springdale Study Committee joined our meeting. His committee, in conjunction with the Selectmen, suggested that it would be a shame if the considerable work put in to study land acquisition and housing were abandoned. Once our work on Green Communities is complete, it would be useful to pick up where the 46 Springdale Committee left off and create a general framework for approaching future opportunities.

*Mr. Smith moved to adjourn, seconded by Mr. Arnold;  
the motion was agreed by consensus at 7:45 pm*

*The next meeting will be February 8 at 6:30 pm at Lindquist Commons*

Respectfully submitted,  
Peter Smith, Secretary

*Approved March 8, 2016*
