

Dover Long Range Planning Committee

May 10, 2016

Attendees: Jerry Arnold, Jack Donoghue, Rich Forté, Robyn Hunter,
Mark Sarro, Sue Sheridan, Peter Smith

Location: Town Garage Meeting Room

Mr. Donoghue called the meeting to order at 7:05 pm .

1. Approval of minutes of prior meetings

Mr. Forté moved that the minutes of the April 12 meeting be approved, seconded by Ms. Hunter. The motion was approved unanimously by all who had been in attendance.

2. Green Communities Certification – next steps

Mr. Donoghue has acquired copies of Sherborn's and Wellesley's energy reduction plans, which are quite comprehensive. It was agreed that while this Committee should take the lead in completing the initial certification requirements, on-going administration should probably belong to Town House staff, with grant proposals going through the Capital Budget Committee. It is also important that we coordinate with Sherborn and the Regional Schools.

Mr. Forté agreed to continue work on assembling the energy use baseline report.

Mr. Donoghue will try to arrange a morning meeting with Town Planner Gino Carlucci, Building Superintendent Karl Warnick, and Massachusetts Green Community Coordinator Joanne Bissetta to map out a timeline for deliverables.

*Mr. Smith moved to adjourn, seconded by Ms. Hunter;
the motion was agreed by consensus at 7:45 pm*

The next meeting will be scheduled later

Respectfully submitted,
Peter Smith, Secretary
