Attached is the agenda. Tara will send the minutes separately.

I was asked to update the OSC webpages on the Dover site in anticipation of its overall refresh (yay!). Attached is the updated table of places to walk in Dover. Let me know if you see any typos, mistakes or omissions. It might be worth putting together a 'directory' of links to all the maps that are available. I have not done this here - the links are to the overall information pages for the organizations or properties (where often links to maps can be found). The only reason not to do this would be that the maps do not have the rules & regs for the site (like no dogs or dogs on leash, etc). Maybe we can discuss this when we talk about the general mapping.

As usual, please let me know whether you will be able to join us so we wait for you.

Looking forward to 'seeing' you all!

Happy May Day!

Amey
