Town of Dover
Technology Advisory Board
Agenda – July 28, 2020 Meeting

- Call to order at 8:00 AM

- Approve minutes from prior meeting (July 14, 2020)

- Status of works in progress.

  - Collection of forms & applications as basis for Town-wide data model.

- Discussion of Goals for 2020 and beyond

  - Do ISP contracts need updating? This was discussed at a previous meeting but we decided to wait until Retrofit infrastructure project was completed.

  - GIS - How important is it to our goals?

  - Review resources available from regional cooperatives such as FRCOG and the Cape Cod Commission SIO.

- Review Task List and Agenda for next meeting.

- Other Business
