FRIDAY, JANUARY 10, 2020

Meeting opened at 4:00 PM

Attendance: Pope Hoffman, Mariah Riess and Carol Jackman

Minutes were approved for December 20, 2019

Citizen's Comments - Laina Swiny came in stating that she would like to donate a tree for the garden. We explained that she would need to get the forms from the Town in order to donate the tree and that when the Selectmen accepted the gift she would be able to plant the tree in the area she had chosen. She also noted that her sister-in-law was planting a tree on Laina's brothers plot.

The Commissioners then reviewed the revisions to Articles 11 and 18, approved them, and signed a letter for transmittal to the Selectmen in time for the deadline for the Town meeting warrant. Pope would deliver it to the Town Hall.

Pope then pointed out a change in the guidelines under sizings. It was so noted and Carol would take care of it. A note was read from LaVerne Lovell regarding the removal of decorations from her grave site. It was so noted and Rusty would be instructed to leave the Christmas decorations on all the graves until the end of January. Decorations need to be removed thirty days after a special season.

The next meeting was set for January 22, 2020 at 5:30 pm. This would be just before the Commissioners need to go to the Warrant Committee meeting re the 2021 budget at 7:00 pm.

Meeting closed at 5:20 pm. Next meeting will be January 22, 2020 at 5:30 pm in the Town Garage.
